

75 Shufeldt July 7. 1888
by dear sheet;

Can you, on
the multiplicity of
your copies, send to
Mrs Bradford of Geneva
N. Y. who wants this,
a copy of the Corn-
(about August 1863)
Containing any sketch
of H. Tubbs, and
any other papers that
speak of her. There
were several.

The Liberator of 1859-
Co. or 61- contains an
account of the Troy
riot in which Hornet
took part. If you
could look that
up and send it
also, so much the
better. I have no
file here of further
papers.

Yours ever
J. B. Lawrence

To C. W. Mack.
